2022 Counts Car Show Rules

The exhibitor hereby applies to the producer of the custom auto show referred to above and to have the vehicle described on the application form displayed therein and agrees that, if the application is accepted, he/she will display the vehicle at the show under the following terms and conditions:

1. Most shows are overbooked by 10 percent. In such cases where space is not available for an entry already accepted to the show, the producer will have sole authority to deny entrance to the building to vehicles arriving after the building capacity has been reached. Exhibitors denied access to the building will be refunded any monies paid to the producer, upon request.
2. As between the exhibitor and the Counts Car Club, the Counts Car Club shall have the final authority to determine the location of an exhibitor's display within the show and the exhibitor's compliance with the aforesaid rules, regulations and policies.
3. Once the exhibitors display and/or vehicle are set up in the show, they shall not be removed or concealed by the exhibitor prior to the end of the show without the permission of the producer.
4. Neither the Counts Car Club, the sponsor, nor any officer, director or shareholder, thereof, or the owner of the building at which the show is produced, shall be responsible or liable for any loss or damage to all or part of the exhibitor's personal property, which shall specifically include, but not be limited to, the exhibitor's vehicle, trailer, display, material and/or parts, and the exhibitor hereby waives any and all rights it may have against them or any of them for such loss or damage. Exhibitor agrees to obtain insurance covering the above and assumes full responsibility for any loss or damage. Exhibitor agrees that the signed entry form supercedes any all prior and/or contemporaneous agreements whether oral or written between Exhibitor and the Producer, Producer's employees, show staff, representatives and sub-contractors. Nothing herein shall be modified unless consented to by the Producer in writing. Both parties agree all disagreements will be decided by arbitration in the state where the show is produced.
5. No commercial advertising and/or for sale signage is allowed with entries unless they are appearing in conjunction with paid commercial space. A single sign may be used to identify major modifications, who did them, and what equipment was used, but large ad or "for sale" signs, handbills, or business card distribution is prohibited.
6. In consideration of the entry identified on the back page, the owner and spouse and guests agree to permit the Counts Car Show or its assigns the use of their names and pictures of the entered vehicle for publicity, advertising, and commercial purposes (including newspapers, magazine, radio and television) before, during and after the event, and do hereby relinquish any rights whatsoever to any photos taken in connection with the event, and give permission to publish or sell or otherwise dispose of said photographs to the Counts Car Show or its assigns. All publicity and advertising rights are reserved by the Counts Car Show or its assigns.
