2019 Counts Car Show

The 2019 Counts Car Show was held the weekend of February 15-17. Again, the weather was rather uncooperative, with cold and snowy conditions keeping people from venturing out. Those that did attend were treated to some spectacular automobiles! Many thanks go out to the Kreun family (Gary, Carol, Zach), along with Floyd, Dennis, Rory and others that I am forgetting that made the 20th annual car show a huge success! We will see you all next year for an even bigger show!!!

Mark Tronstad's 1948 Suburban took best truck

Dale Schuelke and his 1940 Ford Delivery won best Ford.

Shane Liebig's '65 Nova took Best GM, Best Paint & Best Interior.

Gary Mahan and his 1932 Ford Coupe won Best Street Rod

Randy Baumiller's '32 Ford 5 window coupe took best Hot Rod.

This '70 Super Bee owned by Eric Caufield won best Mopar

Taking home best custom paint and best of show was Brent Peterson's 1968 Camaro!
